

Notice of Public Hearing

The Spring City Planning and Zoning Commission is considering approval of "Cottage Apartments" one per residence. The current ordinance allows for "Guest Houses" only which can not have full facilities, such as kitchens, etc. and can only be occupied on a temporary basis. The "Cottage Apartment" would allow for full facilities and full time rental use.

A public hearing will be held on, Wednesday, October 29th, 2008, at 7:00 p.m. to answer any questions and discuss this issue in detail. If you have an opinion on this issue, please plan to attend and be heard. You can mail written comments to Planning and Zoning, P.O. Box 189, Spring City, Utah 84662 or email them to spcity@cut.net.
